

## Inspiring Conference: Making decisions in an uncertain world

Friday, July 8, 2022 – IESEG School of Management, 3 rue de la Digue, 59000 Lille, room B050

iRisk, the IESEG Research Center on Risk and Uncertainty is pleased to invite you to the “**inspiring conference**” given in English **on July, 8, 2022** (on campus, 3 rue de la Digue, Lille and on-line) **at 1.30pm**, titled:

### **Making decisions in an uncertain world**

Uncertainty is pervasive and plays a major role in decision-making. Whether agents pursuing individual goals, or policymakers pursuing social objectives, decision-makers rarely know what the relevant states of the world are. To celebrate the launch of iRisk, its new research center, IESEG School of Management will organize an inspiring conference on the theme: «**Decision-making under uncertainty in practice**».

The inspiring conference will be organized as a high-level panel discussion with four leading experts from the industry, policymaking, and academic community and will promote dialogs between theory and practice.

The conference will be broadcasted live on YouTube.

#### **Panelists:**

**Mathias DEWATRIPONT** is a Professor of Economics at Université libre de Bruxelles and former Executive Director of the National Bank of Belgium. Mathias also participated in different management and exit strategy expert groups which are responsible for monitoring the evolution of the COVID-19 pandemic and provide an evaluation of the Belgian government's strategy.

**Christian GOLLIER** is a Professor of Economics at the Toulouse School of Economics. Christian regularly advises several governments on their public investment evaluation policies. In 2020, Christian was asked to lead the climate change component of the Commission of Experts on the Great Economic Challenges set up by President Macron.

**Gilles MOËC** is the AXA Group Chief Economist and AXA IM Head of Research. He also oversees Responsible Investment activities pertaining to research, thought leadership, engagement and active ownership.

**Vicky POLLARD** acts as Unit and Deputy Head of the “Foresight, Economic Analysis & Modelling” unit at the DG Climate Action of the European Commission. She has contributed to various topics concerning climate change for the Commission since 2006, covering international negotiations, relations with the US and other OECD countries, as well as domestic policy.

*Moderator*

**Thibault LIEURADE** heads the section Economics + Business at The Conversation France.
